

What I am doing this week

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday

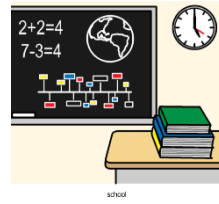

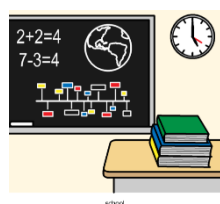

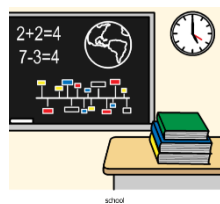

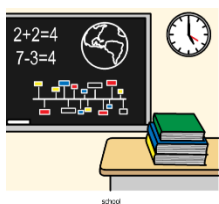

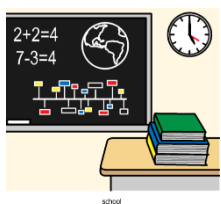

You can use the symbols or make your own to show where your child will be each day e.g. at school, home or a photo/symbol of a different place. Cut them out and laminate them if you can.

Put all the pictures on for the week and talk to you child e.g. look today you are at home with mummy, tomorrow you are going to school.

Each day look at the visual again and take the symbols off for the previous day, again show your child e.g. “look, today you are going to school and tomorrow you are....

You can also use it to prepare them for going back to school full time when the time comes.

What I am doing today

A large, empty rectangular box with a thin black border, intended for the user to write their response to the prompt "What I am doing today".

For some children just knowing what they are doing each day can help them to feel settled. Use this visual each morning to explain what is happening.

Cut and laminate (if possible) the pictures, create your own if there is somewhere else your children will be.
