

# Disley Primary Newsletter

## Science Fair

A BIG thank you to several of our parents who did some really interesting science workshops with the children. Our Year 5 and 6 children especially had lots of fun learning about the latest information regarding various science topics which included: Energy, Neuroscience, Coding, Agriculture design, Clinical research, Atmospheric chemistry and Sports product design.

## Harlem Globetrotters

What an amazing time all our children had when the Harlem Globetrotters came to school this week. If you missed us on the ITV news at 6pm follow the link below. They talked to the children about C.H.E.E.R..... Cooperation, Healthy Body & Mind, Effort, Enthusiasm and Responsibility. The KS2 children came up with great answers as to the meanings of these words. We were very proud of them as you will have or will see on the link.

## Mothers Day Gifts

A BIG thank you to Laura Weston and her amazing team of PTA volunteers who put together a wonderful choice of special gifts today for the children to choose for that special someone. It has been lovely to see that lots of members of the community have donated to this event so that every child has been able to choose a gift.
