Harvest Festival – Friday 7th October

A HUGE WELL DONE to our fantastic children who put on the fabulous Harvest Assemblies this morning.

Thank you for your continued generosity regarding items for our Harvest Festival. We have had a huge response and are overwhelmed with your kindness in these uncertain times.

This year we are going to keep some items on the school premises and also there will be a store at St Mary's. We will liaise with St. Mary's church who are having a 'Warm Space' where anyone in the community can go on a Thursday between 9.30am and 2.45pm starting 1st November who might need a warm space to go to during the day. The idea is that if people in the community are in need of food items these will be available both from St. Mary's and school. If you or anyone you know in the community is in need of a food parcel please direct them to St. Mary's or school.

Scarlet fever

Please remain vigilant as we have had a small number of confirmed cases. Please refer to the letter sent out on Wednesday 5th October for more information.

Janette's Garden

If anyone is able to help us turn this idea into reality, please contact the school office.

Knife Skills

Our Year 3, 4, 5 and 6 children enjoyed a knife skills workshop where they learnt lots of techniques for cutting food.

Reception and KS1 Star Assembly

Please remember the reception and key stage one star assembly will be on Thursday next week. We have informed the relevant parents.
