Disley Primary School Remote Education Weekly Plan:

WB: 04.10.21

<p>Thursday: Year 5: Subtract whole numbers with more than 4 digits https://vimeo.com/461351379</p> <p>Year 6: Short division https://vimeo.com/461398248</p>	<p>Thursday: Continue to work through the activities in your English booklet. This booklet is designed to last two weeks so please feel free to work through it at your own pace</p>	<p>Thursday: Reading comprehension – A Hung Parliament</p>	<p>Thursday: Well-being Afternoon: We are aware that working from home is not the same as working at school and in the current climate it is important that we look after our mental well-being. Therefore, there will be no PM check-in this afternoon. Instead, we have listed a range of activities below that you can engage with that will give you some time away from the screen:</p> <ul style="list-style-type: none">• Pick an activity off the 50 things to do before you're 11 and $\frac{3}{4}$ sheet• Go for a walk within your local area• Play a board game with a member of your household• Make a game to play• Use different resources around the house to create a piece artwork or a DT project• If you have a garden, enjoy some time playing games and exercising. <p>*These are just some ideas. Your grown-ups may decide to do something different.</p>
<p>Friday: Year 5: Arithmetic</p> <p>Year 6: Arithmetic</p>	<p>Friday: Continue to work through the activities in your English booklet. This booklet is designed to last two weeks so please feel free to work through it at your own pace.</p>	<p>Friday: Guided reading session 3</p>	<p>Friday: Art: Use the techniques you have learnt from our Lowry art topic so far to draw a picture of an Industrial Revolution setting. You could research some of Lowry's paintings for inspiration. Colour in the picture using the colours Lowry would have used.</p>
